Please make sure that the booking fee and/or balance of the stud fee or any applicable rebreed fee or chute fee is paid in advance of delivering the mare, or, that it be paid at the time of arrival to the farm.

Mare care, any veterinary charges, blacksmith fees, etc. will be billed monthly. These are due upon receipt and payment must arrive at the Farm by the 20th of the month to avoid any late payment interest expense.

Step 2: Be sure all required paperwork is received by DeGraff Stables/Liberty Farm.

Please be sure that all paperwork, such as contracts, registration papers, pre-breeding diagnostics, etc. has been received by mail, email or by fax, as soon as possible to *DeGraff Stables/Liberty Farm Equine*. Remember, we need a copy of the "Mare Disclosure Form" 7 – 10 days prior to your mare's arrival at the farm. And this is where *you* can help *us*. Please write anything that may be of importance regarding your mare's care, diet or habits. Use the back of the Mare Disclosure Form if necessary. Additionally, please forward a copy of her past (last) breeding season records if they are available.

Please review your breeding contract; Mare(s)/Foal(s) MUST HAVE ALL REQUIRED SHOTS ADMINISTERED 14 DAYS and WITHIN 60 DAYS PRIOR TO DELIVERY TO THE FARM!

EVA Blood Titers Can Take Up to 2 Weeks to Receive Results!

Step 4: Farm Contact Information & Arranging Delivery or Pick Up:

Please make arrangements anytime Monday through Saturday between 8 am and 4 pm for delivery and pick up of your mare directly with us.
