

DEGRAFF STABLES/LIBERTY FARM
Rebreed Information & Form
FAX TO: 859.846.5222 OR CALL: 859.846.5000

Dear Mare Owner:

We are sorry that your mare is not expecting a 2010 foal and would like to provide you with this information packet to facilitate your rebreed. There is a simple one page form enclosed for you to fill out and return to us. This form is your opportunity to advise us about when you plan to breed your mare, whether you plan to bring her to DeGraff Stables/Liberty Farm, or, whether you prefer to have us ship semen to you. And, of course, the form provides us an opportunity to have you to update all of your contact information such as mailing and shipping addresses, phone numbers and credit card information for our files.

If you choose to bring the mare to the farm for rebreed purposes, please indicate by checking the appropriate box. We will then mail you an "On Farm" contract to execute and return, plus a "Mare Disclosure" form so that we will have her current health and breeding information for our records. **Please, please pay strict attention to the health requirements that will be required for the mare.**

In addition to the one page 2010 Rebreed form, we will need the following sent to DeGraff Stables/Liberty Farm to complete our records and to process your breeding:

- 1) Copy of mare's registration papers
- 2) Copy of veterinarian's statement for reason for rebreed
- 3) Copy of negative uterine culture with sensitivity and cytology current within 30 days is required for all open mares.
- 4) If you are substituting a mare, please advise us of this on the form and again, we will need a copy of her registration papers.
- 5) Please enclose the payment to "DeGraff Stables" for the \$250 Rebreed Fee. This includes the initial collection fee. If you are rebreeding for a color guarantee, other fees may apply.
- 6) If you bring the mare to the farm for breeding, a one-time cycle management fee of \$250 will apply and will be due at the time of arrival to DeGraff Stables/Liberty Farm.
- 7) If we are shipping semen, these fees will be charged to your credit card at the time of shipment.

DeGraff Stables/Liberty Farm does require an up-to-date valid, credit card available to charge for shipping fees as they are incurred and to provide for your Equitainer deposit. Any rebreed, booking, breeding or cycle management fees may also be charged to your card if you so choose. If your rebreed is for a Kentucky eligible foal, a 6% sales tax will apply and a 3% convenience fee will apply to all charges.

As an alternative to providing us with a credit card for shipped semen fees, you may prepay for these services by check, cash, or money order. If pre-paying, please have a minimum of \$600 paid toward your account in advance of requesting a shipment. We will promptly return any unused fees when your mare is safely in foal.

We look forward to working with you this coming season. If participation in the Kentucky Breeders Incentive Program is of interest to you this coming season, you may find full program information for Quarter Horses please visit at www.KyQHA.com and for Paint Horses at www.KyPHC.org.

Please call us with any questions, Robin or Pam may be reached by calling us at 859.846.5000 or by e-mail at robin@whatwork4.com. Michelle may be reached at 419.668.2072. We look forward to working with you to help obtain the foal you have been looking for this season.

Sincerely,
Robin and the Staff at DeGraff Stables/Liberty Farm
